

REMARKS

Reconsideration of the present application is respectfully requested.

Further to the Notice of Non-Compliant Amendment dated July 28, 2008, Applicants have amended the specification as set forth above. New paragraph 18 is added to describe Figure 6. The added subject matter is not underlined, and believed in compliance with 37 C.F.R. 1.121 and 1.4. As per the subject Notice and 37 C.F.R. 1.121, only the corrected section set forth above is required in this response, and the Examiner's approval and entry of the amendments set forth in Applicants' response of June 30, 2008 is respectfully solicited.

This application is now believed to be in condition for allowance of claims 1-13. However, if the Examiner believes that some minor additional clarification would put this application in even better condition for allowance, the Examiner is invited to contact the undersigned attorney at (812) 333-5355 in order to hasten the prosecution of this application.

Respectfully submitted,
